1. INTRODUCTION

The Governance Code section of the RSA Grid Code describes the process for amending the Grid Code. This version 8.0 replaces the previous version dated March 2008.

2. INDEX OF CHANGES

The following “index of changes” guides the users to the specific clauses amended as well as the type of change effected. Changes are grouped per section of the code. All enquiries in relation to the Grid Code revisions should be forwarded to the Grid Code Secretariat.

Governance Code

Clause Number	Change
