DRAFT LICENSING EXEMPTION AND REGISTRATION NOTICE EXTENSION OF THE PUBLIC COMMENTS PERIOD

The Department of Energy on the 2nd December 2016 published in the Government Gazette the Draft Licensing and Exemption Notice for public comments. As stated in the published notice, the comments period runs for 30 days from the 2nd December 2016.

The Department of Energy is aware of the urgent need to finalise this exemption notice. Due to December being a very short month with most organisations and the general public in recess, the Department extends the public comments period to run until the 31st January 2017.

Ms Tina Joemat-Pettersson, MP

Minister of Energy
